3RT2027-1AP00-1AA0

## **Data sheet**

Power contactor, AC-3 32 A, 15 kW / 400 V 1 NO + 1 NC, 230 V AC, 50 Hz 3-pole, size S0 screw terminals Upright mounting position

| product brand name  | SIRIUS                     |
|---|----------------------------|
| product designation   | Power contactor            |
| product type designation  | 3RT2                       |
| General technical data  |                            |
| size of contactor   | S0                         |
| product extension   |                            |
| <ul> <li>function module for communication</li> </ul>   | No                         |
| auxiliary switch  | Yes                        |
| power loss [W] for rated value of the current at AC in hot operating state                                  | 8.1 W                      |
| per pole  | 2.7 W                      |
| power loss [W] for rated value of the current without load current share typical                            | 9.8 W                      |
| surge voltage resistance  |                            |
| of main circuit rated value   | 6 kV                       |
| of auxiliary circuit rated value  | 6 kV                       |
| maximum permissible voltage for safe isolation between coil and main contacts acc. to EN 60947-1            | 400 V                      |
| shock resistance at rectangular impulse   |                            |
| • at AC   | 8,3g / 5 ms, 5,3g / 10 ms  |
| shock resistance with sine pulse  |                            |
| • at AC   | 13,5g / 5 ms, 8,3g / 10 ms |
| mechanical service life (switching cycles)  |                            |
| of contactor typical  | 10 000 000                 |
| <ul> <li>of the contactor with added electronically optimized<br/>auxiliary switch block typical</li> </ul> | 5 000 000                  |
| <ul> <li>of the contactor with added auxiliary switch block<br/>typical</li> </ul>                          | 10 000 000                 |
| reference code acc. to IEC 81346-2  | Q                          |
| Ambient conditions  |                            |
| installation altitude at height above sea level maximum   | 2 000 m                    |
| ambient temperature during operation  | -25 +60 °C                 |
| ambient temperature during storage  | -55 +80 °C                 |
| Main circuit  |                            |
| number of poles for main current circuit  | 3                          |
| number of NO contacts for main contacts   | 3                          |
| operating voltage at AC-3 rated value maximum   | 690 V                      |
| operational current   |                            |
